EDITOR'S NOTE.
The final date for compiling this collection was 9th August 2018. All reasonable efforts were made to ensure that the information was correct at the time of going to press. Any player changes after this were of course beyond our control.

PLAYER RATINGS:
Whilst every effort was made to proportion reasonable contrasting player ratings, the individual ratings have been devised for the purposes of the Match Attax game. These values are not intended to be a definitive comparison between players and do not reflect the opinions of the Premier League or its member clubs.

PLAYER VALUES
Player values that appear on the Match Attax cards are in conjunction with the transfer values listed in the official Premier League Fantasy Football game. Player values have been rounded up or down to the nearest 'half a million' where necessary. The featured transfer values have been developed exclusively for the Match Attax game and in no way represent the actual transfer values of players.

THE MATCH ATTAX TOUR IS BACK FOR ANOTHER SEASON DURING APRIL 2019.
